How your Dues Helps

Your contribution assists in the preservation of area artifacts and historical documents, supports education programs, and helps us maintain and expand our collection and exhibits; a research center, a virtual museum online, and future museum.

About Us

The Cold Spring Area Historical Society (CSAHS) was started by a group of local citizens who started meeting in November 2006. It was incorporated by the Minnesota Secretary of State in January 2007, and approved for 501(c)(3) non profit status by the Internal Revenue Service on January 31, 2008.

The CSAHS is interested in preserving some of the equipment and artifacts being moved from the current Cold Spring Granite site in downtown Cold Spring. At the current time, CSAHS has no collections of material, however they are currently formulating by-laws, collection priorities and procedures. They are planning a virtual museum, research center, and Cold Spring Museum. They are to be affiliated with both the Minnesota Historical Society and the Stearns County Historical Society and Museum.
